“Beyond Treason investigates causes of Gulf War Illness and continuing deaths of gulf war veterans.

It outlines:

- Exposure to depleted uranium munitions used on the battlefield
- Chemical and biological exposures
- Experimental vaccines given.

Statistics show that 250,000 troops are now permanently disabled, 15,000 troops are dead and over 425,000 are ill and slowly dying.

Beyond Treason documentary presents comprehensive and compelling documentation from United States Government archives of a massive cover-up lasting over two generations”
