.

Selected quotations from Transcript

Indian tribal girls were used as guinea pigs.

With 1.3 billion people, India is a good base for pharmaceutical companies to make a killing and also kill a lot of people in the process.

The manipulation of people by the media.

It is so terrifying what they are doing.

"We are taking things that are genetically modified organisms and injecting them into little kids arms...", says Bill Gates

Over 490 000 children in India developed paralysis as a result of the Gates supported vaccine.

There was a parliamentary inquiry, and the Gates Foundation was excluded from India.

And Now they are back, doing their own tricks again.
