This is a report by TeleSur which points to the fact that the so-called “Health Passport” is being adopted in the EU as well as China.

The broader implications of a Health Passport as well as the issue of fundamental human rights including the right to refuse to be vaccinated is not mentioned by TeleSur.

[#COVID19](#) | China has launched a "health passport" for citizens wishing to travel abroad, similar to initiatives emerging in the European Union and the United States to facilitate health controls across borders amidst global COVID-19 vaccination campaigns. pic.twitter.com/OmRtj7OhWt
