Guest: Christine Anderson, member of the European Parliament (AfD) and member of the:

- Committee on Culture and Education
- Committee on Women’s Rights and Gender Equality
- Special Committee on Artificial Intelligence in the digital age
- Substitute on the Committee on the Internal Market and Consumer Protection

This session is:

- On the renegotiation of WHO contracts: Can Democracy and the Rule of Law Survive at All, if a supranational and democratically non-legitimated organization like the WHO can be given de facto governmental power in the future?
- On the extension of the Digital COVID Certificate: The “basic rights reference certificate” – a designation it considers much more appropriate has been extended for another year until June 2023.
“Repeal of the previous Corona coercive measures appears to have been nothing more than a tactical retreat by the Establishment to have been.”
