The plandemic was “fueled by an elaborate psychological operation designed to create a constant state of panic among the world's population.”

“This agenda has been long planned, it's ultimately unsuccessful, precursor was the swine flu some 12 years ago, and is cooked up by a group of super-rich psychopathic and sociopathic people who hate and fear people at the same time, have no empathy, and are driven by the desire to gain full control over all of us, the people of the world.”

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”
