Police Fire Tear Gas, Flashbang Grenades and Rubber Bullets at Peaceful Protesters

This is not Egypt, Greece or Italy ... this is America:

The injured gentlemen is Veterans for Peace member Scott Olsen, allegedly shot with a rubber bullet.

This is another gentlemen allegedly shot in the face with a rubber bullet (his injury is above his right eye, while the injury to Scott Olsen appears to be on the left side of his face):

Here are police roughing up a peaceful woman protester:

And a policeman threw a flash grenade into a crowd trying to help an injured protester:

Some are calling this the ["new Kent State"](#).

And protesters from Tahrir Square, Egypt, say this is what it looked like there.
