In-depth Report: [THE H1N1 SWINE FLU PANDEMIC](#)

*This year, the New York State Health Department is requiring all health care workers who come into contact with patients to get the flu vaccine, and will also require the H1N1 or swine flu vaccine as well.*

It's something the department says is for everyone's safety, but a number of workers are concerned about being forced to get the shot. Steve Ference has more on why some hospital workers say the mandate is flat out wrong.
