“On 13 July, a day before the French National Independence Day, the Bastille Day, the very day celebrating the French Revolution – 14 July 1789, when the French broke loose from Royal feudalism, when they gave an example for others to follow – on that very occasion, French President Macron announced forced vaccination, to begin with all health services employees; no attending of public events, taking public transportations, a ban on movie theatres, restaurants and even shops – and of course no flying – for unvaxxed people.

This was foreseeable, as Germany, Greece, Canada and others have passed similar laws. Others are to follow – probably the Netherlands, Italy and Spain. Boris Johnson, UK, may join the gang later.”
