*Guest: Renate Holzeisen is an attorney at law and economist in Italy.*

*This session is about a report on a remarkable Cautelar order (urgent proceedings due to imminent irreparable damage) of an Italian judge on COVID-19 injection (inaudita altera parte). The Florence Regional Court overturned the suspension of a psychologist (who was subject to mandatory vaccination) on excellent grounds.*

*The judge explicitly identifies the mRNA injections as experimental substances that, according to current data, are not likely to break the chains of infection.*

*The actual trial is set for September.*
