9/11 Justice

A very good introduction documentary about the events of september 11 2001.

A carefully supported criminal indictment of George Bush, Dick Cheney, Richard Myers, and Condoleezza Rice for murder in the events of 9-11, presenting all the best evidence in a concise but powerful manner.

It includes Larry Silverstein's admission that explosives were used to bring down the buildings in New York; and Norman Mineta's identification of Dick Cheney as the person who gave the order not to scramble jets, or fire any weapons in defense of the Pentagon.
