Trucker Convoy is Coming to DC— Their Leader Has a Message for Joe Biden.

“This message is for the President of the United States of America.

“My name is Kyle Sefcik of the Freedom Convoy USA 2022 and our routes meet here in DC on March 1st, in time for your State of the Union address.

“We are very organized and our routes are public. I even put a permit for the National Mall to be respectful.

“I just want to be as transparent as possible from the start so there’s no confusion.

“We are coming peacefully and we’re going to do this lawfully and Constitutionally.

“I want the rest of the world to know our plans so that there’s no twisting and lying about who and what we are.

“I’m coming to you as a father, a small business owner who’s unaffiliated to any parties.

“We just want government overreach to end.

“On behalf of Freedom Convoy USA 2022, we are asking you to end the State of Emergency. End the mandates once and for all.

“Sir, the world is watching us, because they know that if what’s happening in Canada happens to us here in the Land of the Free, then freedom as we know it is gone.

“So, we are leaving the choice to you. The decision is in your hands.

"This whole convoy, this whole assembly on the national mall – it doesn't even have to happen, if you just end things now and we can get on with our lives.

"To you other convoys that plan on meeting us here, we look forward to seeing you and joining with you.

"We're going to do this right. We're going to do this honorably.

"Mr President, we have no other motives in this mission.

"You see, the Government, our elected officials of both parties have failed us tremendously in the last two years and now it's time for us, We the People to fix this. To end this.

"We're ready to get back to our lives, the ones promised and guaranteed in the United States Constitution, Bill of Rights and the contract that you signed and swore an oath to under the One True God.

"This is simple. End this."
