Theme: [Intelligence](#), [Science and Medicine](#)

A NYC nurse discloses the horrible scenario happening in a NYC hospital.

She said patients are "left to rot and die". "People are dying who do not have to die".

There is a lack of critical thinking.

"It is a nightmare". She has never seen so much neglect.

People are afraid to speak out.

The ventilators sometimes make things worse.

Patients are scared. No one is being held accountable.
