Introduction

We are commemorating an important event in Canadian History which has a bearing on the legitimacy of the Covid-19 “Vaccine” imposed on Canadians, in derogation of our fundamental human rights.

In recent developments (January 23, 2024), a Federal Court Judge has ruled that the Trudeau government “unconstitutionally and unjustifiably” invoked the Emergencies Act in February 2022 as a pretext and a justification to repress the Canadian Truckers Ottawa protest movement against the Liberal government’s illegal imposition of its COVID-19 vaccine mandates.

The Trudeau government has announced that it will appeal the Federal Court Judgment.

It is important that Canadians across the land, reveal the evidence regarding the Covid-19 Vaccine.

While the Federal Court pointed to the violation of several clauses of the Canadian Charter of Rights and Freedoms, it is now established that what we are dealing with far more serious. Amply documented the Covid-19 Vaccine has resulted in an upward trend in excess mortality.

The Covid Jab is not only “experimental”, it’s a Big Pharma “killer vaccine” which modifies the human genome.

Peer reviewed reports confirm the causes of vaccine related deaths and “adverse events” (injuries) including among others blood clots, thrombosis, myocarditis, cardiac arrests.

Moreover [Pfizer’s “Confidential Report” released under Freedom of Information in October 2021](#) provides data on deaths and adverse events recorded by Pfizer.

The evidence amply confirms that the Pfizer-BioNtech mRNA vaccine is a dangerous substance, resulting in deaths and adverse events. It come’s from the Horse’s Mouth.

Let us recall what happened in early February 2022.

Jean François Girard’s incisive and carefully documented Global Research Video (February 9, 2022) produced at the height of the Ottawa Protest Movement confirms that Prime Minister Trudeau was “lying through his teeth”.

Two years ago, On the 31st of January 2022, the prime minister of Canada, *Justin Trudeau* addressed the nation regarding the Freedom Convoy protest movement at a Press Conference from an undisclosed location which was broadcast live:

He portrayed the protesters as violent people, racists and more.

On the 2nd of February, he added another layer with a tweet. (Below, See [this](#))

🇨🇦 Officiel du gouvernement - Canada

Today in the House, Members of Parliament unanimously condemned the antisemitism, Islamophobia, anti-Black racism, homophobia, and transphobia that we've seen on display in Ottawa over the past number of days. Together, let's keep working to make Canada more inclusive.

Are the protesters really what he claims them to be?

I was there for four days with my camera, I never saw or witnessed anything close to what he describes.

Is it possible this is all made up? If it is, what is the purpose?
