Guest is Sonia Elijah, an investigative journalist and broadcaster at [trialsitenews.com](#). She has a background in economics and was a former BBC researcher. Her analysis on the Pfizer COVID vaccine safety report received worldwide attention.

This session talks about her investigation of the Pfizer trial documents that were released by court order. She has singlehandedly gone through thousands of pages of documents and discovered many anomalies that commit fraud.

She has written 4 in-depth investigative reports for Trial Site News. An interview of her by an Australian media company regarding her first report went viral on YouTube with over 1.4 million views in 3 days just before YouTube banned it.
