Listening to Virginia Senator Richard Black talk realpolitik with zero BS gives me hope for the world! I didn't know there was a serving Senator who speaks freely, like this! The 31-year military veteran who has spent a lot of time in [Syria](#) talks about the rogue CIA, Hillary's murder of [Libyan](#) Ambassador Stevens, Barack Obama's arming of ISIS and so much more with the weary yet sober demeanor of a wizened insider.

Some among my readers still believe parts of the Mainstream Media (CIA) false narrative and wrote nasty things in response to my newsletter yesterday with the video by [Jake Morphonios](#). This interview with Senator Dick Black from Virginia goes way further, substantiating Morphonios' allegations and exposing so much more skullduggery in [Syria](#), [Libya](#) and beyond.

After the previous false flag bombing in [Syria](#) early this past February, Senator Richard Black joined The Truth Viral's Bobby Powell for a conversation.
