In the first session Prof. Dr. med. Sucharit Bhakdi and his wife Prof. Dr. Karina Reiss reported about new findings concerning the effects of the mRNA-vaccine technologies, which are according to the other sides plan - Mister Global's plan - supposed to be used for all so-called vaccines, including for example: measles, the flu, etc.

They do not only cause physical damages but they also damage the small capillaries in the brain, override the blood-brain barrier and leads to massive personality changes. Literally breaking the will of some of those receiving the shots.

Author and Journalist Dr. Naomi Wolf explains what this looks like in real life and Psychiatrist Dr. Peter Breggin explains how there are disturbing parallels to the effects of lobotomy, which most people only know from the movie: „One Flew Over the Cuckoo's Nest“ and which is beyond any doubt one of the most brutal, yes savage crimes against humanity ever committed.

This session is not necessarily fun to watch, but it is very important for all of us to know and understand what this mRNA-Injection is doing to those who get the shots.

Only then will we be able to understand why so many people who received these shots, simply cannot be reached by us anymore.

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”
