*"This was the first man to break a window at autozone.*

*A move that started the string of looting and damage to businesses. He is seen wearing all black and carrying an umbrella to conceal the hammer he is holding in the same hand.*

*No one knew this man, he didn't protest, when confronted he ran the other way.*

*And by the looks of it- his boots- are military grade. Meaning this man is either in some form or militia or he is WITH THE POLICE."*
