We bring to the attention of our readers this Global Research Video documentary produced by Ariel Noyola Rodriguez, featuring Prof. Michel Chossudovsky.

We are at the crossroads of one of the most serious crises in World history.

Entire national economies are in jeopardy. In some countries martial law has been declared.

Small and medium sized capital are slated to be eliminated. Big capital prevails.

A massive concentration of corporate wealth is ongoing.

Its a diabolical “New World Order” in the making.

Red Zones, the facemask, social distancing, the closing down of schools, colleges and universities,

no more family gatherings, no birthday celebrations, music, the arts: no more cultural events,

sport events are suspended, no more funerals, no more weddings, “love and life” is banned outright.
