The video below was initially published by Vimeo in early 2021.

It was taken down on March 5, 2022 as an act of censorship directed against Global Research.

It outlines the nature of the corona crisis focusing on the history of the crisis and the impacts of the lockdown.

By [Prof Michel Chossudovsky](#)

Note by author

We are dealing with an exceedingly complex process.

In the course of more than two years starting in early January 2022, I have analyzed almost

on a daily basis the timeline and evolution of the COVID crisis.

From the very outset in January 2020, people were led to believe and accept the existence of a rapidly progressing and dangerous epidemic.

Very Summarized

1. The RT-PCR test is meaningless (now confirmed by the WHO and the CDC). The entire data base of so-called "COVID confirmed cases" is totally invalid. These are the estimates which have been used to justify ALL the COVID-19 mandates since March 2020. The figures on COVID-19 related mortality are also invalid (See Chapter III). These are the fake "estimates" used to justify the violation of fundamental human rights.

2. SARS-CoV-2 is "similar to seasonal influenza" according to the CDC and the WHO. It is not a killer virus. (See Chapter III)

3. The economic and social impacts of the lockdowns are devastating: bankruptcies, unemployment, poverty and despair. The COVID-19 mandates are destroying people's lives. (See Chapters IV and V)

4. The COVID-19 mRNA vaccines have resulted in a worldwide upward trend in mortality and morbidity which is amply documented (See Chapter VIII). A confidential report by Pfizer made public under Freedom of Information (FOI) confirms that the COVID-19 jab is a "killer vaccine".

5. Recorded and registered for EU/UK/USA – 61,654 COVID-19 injection-related deaths and 9,755,085 injuries reported as at 28 January 2022 (only a small percentage of deaths and injuries are reported and recorded).

6. Pfizer has a criminal record with the US Department of Justice. (See Chapter VIII)
