Guests are:

Christian Beer, founder, owner and CEO of the Heron Innovations Factory, originally on the development and construction of customized assembly machines. Now they have five independent subsidiaries.

Axel Turck, Managing Director of Emil Turck GmbH which manufactures precision (customers from the lighting industry, the electronics industry to mechanical engineering).

This session is about:

Christian Beer: Corona crisis since 2020 from the perspective of an Austrian entrepreneur and what consequences the measures have had for his company. He also talks about the foundation and his engagement in the network Einheit.at (an initiative of more than 8,800 AU companies), its goals and activities.

Axel Turck: On the threat of insolvencies of companies in the manufacturing industry, the gas shortage situation and gas apportionment, the importance of short or medium-term gas supply restrictions or stoppages for metal-processing companies.

Also on the ailing infrastructure and bridge damage as a result of blatant policy failure in the Lüdenscheid area.
