The world is at a dangerous crossroads. The notion of “humanitarian war” underpins the threats of military aggression by the US and its allies.

In Syria, US-NATO are quite openly supporting the ISIS and other rebel groups.

The video below features the opening session of the “International Conference: The New World Order; A Recipe for War or Peace!” under the helm of the former Prime Minister of Malaysia, Tun Dr. Mahathir Mohamed, held in Kuala Lumpur on March 9, 2015 at the Putrajaya International Convention Centre.

Among the speakers are several prominent authors and academics including Professor Michel Chossudovsky, Dr. Chandra Muzaffar, Mr. Yoichi Shimatsu,

Also invited to this event was a consultant to the Pentagon Dr. Thomas Barnett, a Senior Strategic Researcher and Professor in the Warfare Analysis who casually denies the dangers of US-NATO led military aggression.
