“The silence of so many Cardinals and Bishops, along with the inconceivable promotion of the vaccination campaign by the Holy See, represents a form of unprecedented complicity that cannot continue any longer. It is necessary to denounce this scandal, this crime against humanity, this satanic action against God.

With every passing day, thousands of people are dying or are being affected in their health by the illusion that the so-called vaccines guarantee a solution to the pandemic emergency.

The Catholic Church has the duty before God and all of humanity to denounce this tremendous and horrible crime with the utmost firmness, giving clear directions and taking a stand against those who, in the name of a pseudo-science subservient to the interests of the pharmaceutical companies and the globalist elite, have only intentions of death.
