Excerpt from the Preface

"Hell is empty, and all the demons are here." — William Shakespeare, Tempest, 1610

The COVID-19 crisis is destroying people's lives. My responsibility as an author is to reveal the truth, break the tide of media disinformation and reach out worldwide to as many people as possible.

We are dealing with an exceedingly complex process. In the course of the last two and a half years, I have analyzed almost on a daily basis the timeline and evolution of the COVID-19 crisis.

From the very outset in January 2020, people worldwide were led to believe and accept the existence of a rapidly progressing and dangerous epidemic. Media disinformation was instrumental in sustaining the COVID-19 narrative.

At the time of writing, protest movements have erupted in numerous countries. The entire planet is in state of economic and social chaos. A worldwide crisis in food and agriculture is unfolding with famines erupting in all major regions of the world (see Chapter IV).

From the very outset in January 2020, scientific lies and falsehoods have been used to sustain the legitimacy of the COVID-19 policy mandates including lockdowns, the imposition of the face mask, social distancing and the suppression of fundamental human rights.

Video Interview: Michel Chossudovsky with Caroline Mailloux

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”
