Guest: Bobbie Anne Flower Cox, Attorney at Law in New York with focus on representing New Yorkers on matters pertaining to over-reaching government agencies or departments.

This session is about a report on her recently won lawsuit.

Background:

During this year, she has been in a lawsuit against Governor Kathy Hochul and the NY Dept of Health over their illegal “isolation and quarantine camp” regulation.

This regulation allowed the government to take someone out of their home, quarantine them just because they assumed they have been exposed to a disease, and they didn’t even have to prove that the person really has a. disease.

They could have even removed just one person from a family unit!
