Below is the video recording of Virginia State Senator Richard H. Black (R-Loudoun) speech on the floor of the Virginia Senate (April 11)

“It is not entirely clear that there was an attack,” ...

There was a doctor, from the hospital — from the main hospital in Douma — who has said, ‘We haven’t received any casualties. Nobody has been sent in.’

“The US has decided that regardless of whether there was an actual chemical weapons attack, ... we are going to attack Syria and ... escalate our war in Syria”
