Dear Readers,

Welcome to the newly redesigned Global Research website!

We are very proud to launch an updated version of our website, featuring the same timely and analytical content as before, in a display that will be easier for our readers to navigate so that you can get the information you need as quickly and easily as possible.

On this website, you will be able to access an archive of more than 30,000 articles published by Global Research.

We thank all of our readers for the feedback you have sent us over the years and hope you will enjoy your browsing experience.

These changes would not be possible without your support, and for that we extend our sincere appreciation.

To help us cover the costs of important projects and necessary upgrades like this, we kindly ask that you [consider making a donation to Global Research](#).

We also take this opportunity to invite you to become a [Member of Global Research](#)

If we stand together, we can fight media lies and expose the truth. There is too much at stake to choose ignorance.

Be aware, stay informed, spread the message of peace far and wide.

Feedback and suggestions regarding our new website are most welcome. To post a comment, kindly visit us on the [Global Research facebook page](#)

Sincerely,

The Global Research Team
