[Big Tech's Effort to Silence Truth-tellers: Global Research Online Referral Campaign](#)

The 2023-2024 Gaza Massacre has continued now for nearly 4 months while the World looks on. The Zionist-subverted and US lackey Australian Labor Government has fervently assisted Apartheid Israel diplomatically, with key arms supplies, intelligence, weapons targeting and now with cessation of support for UNRWA – racist Labor is complicit in the US-Israeli massacre of Palestinian children. Zionist-subverted Australian Mainstream media are complicit by lying for Apartheid Israel.

Set out below is a quantitative view of the Gaza Genocide from truthful reportage (notably from some prize-winning Western journalists) but which is overwhelmingly ignored by Zionist-subverted Mainstream Western and Australian media:

(1) Apartheid Israel allowed the 7 October (10/7) event to happen (like the US re 9/11).

(2) The 10/7 Breakout by lightly armed Palestinians from the Gaza Concentration Camp was to get hundreds of Israeli hostages to trade for 10,000 Palestinians in Israeli military prisons and indeed for 5.6 million highly abusively confined Occupied Palestinians.

(3) The IDF response with high explosive tank shelling and helicopter missiles was responsible for a substantial proportion of the 1,200 Israelis killed – if deaths were proportional to firepower then most of the Israeli deaths on 7-8 October were due to the IDF.

(4) 97.5% (1,170) of the Israelis killed (1,200) were adults involved militarily in the 56 year Occupation because of Israeli compulsory military service. 2.5% (30) were children).

(5) 84.2% (1,010) of the Israeli dead were present serving Israeli military responsible for violently maintaining the 56-year Occupation and hermetically sealing the bombed and blockaded Gaza Concentration Camp.

(6) The Israeli-complicit 10/7 carnage (like the US-complicit 9/11 carnage from massive intelligence failure as adverted by both former US president Donald Trump and former US Vice President Al Gore) provided the “excuse” for disproportionate violence with genocidal intent.

(7). As of mid-January 2024, after 100 days of the Gaza Massacre 100,000 Palestinians were killed, missing or wounded, and 31,497 Palestinians had been killed including 12,345 children, 6,471 women and 245 health workers. 1,500 Palestinian fighters were killed in Israel on 7-8 October for a total of 33,000 Palestinians killed.

(8) In the present Gaza Massacre there is an Occupied/Occupier Reprisals Death Ratio of $33,000/1,200 = 27.5$ (55 if the IDF killed 50% of the Israeli victims) versus the 10 ordered by Nazi leader Hitler in 1944 (and effected in the Ardeatine Massacre), and $30,000,000/3,000 = 10,000$ in the post-9/11 US War on Terror (this including avoidable deaths from war-imposed deprivation in 20 countries violated by the US Alliance).

(9) International Law expert Professor Francesca Albanese states that under International Law subjugated Occupied people (the Occupied Palestinians) have the right to defend themselves but the war criminal Occupiers (the genocidally racist Israelis) in an occupied territory do not.

(10) US, UK and Australian Mainstream media reportage is overwhelmingly dominated by lying Israeli propaganda. Thus a Google Search for “ Hamas massacre ” yields 500,000 results whereas that for “ IDF massacre ” yields 1,400 results.

(11) Most of 2.3 million Gazans (nearly half of them children, nearly three quarters women and children) are living in tents, denied requisite water, food, sanitation, medicine and medical care, and facing an existential catastrophe due to deprivation and disease.

(12) The forced displacement of Gazans to the south is a Third major mass population expulsion after the 1948 Nakba (800,000 expelled) and the 1967 Naksa (400,000 expelled), with a feared Fourth mass population expulsion of 2.3 million Palestinians into the Egyptian Sinai desert. Genocidally racist, settler-colonialist Apartheid Israel wants all the land of Palestine (plus neighbouring lands) but not the Indigenous inhabitants.

The civilized World is utterly horrified but must translate that horror into urgent action as summarized below:

(1) Boycotts, Divestment and Sanctions (BDS).

(2) Dump the US dollar.

(3) UNSC, UNGA and other action over genocidal Israeli violation of the South Africa-requested ICJ ruling on the Gaza Genocide.

(4) Young-impelled decent Third Parties (e.g. Greens) to urgently replace war criminal and climate criminal Western duopolies (e.g. the US Republican/ Democrat, UK

Conservative/Labour and Australian Coalition/Labor political duopolies).

(5) Decent voter backlash in the US, UK, and US Alliance e.g. Australians voting for either the unforgivable, Apartheid Israel-supporting Australian Labor Government or the even worse Coalition are complicit in genocidal Apartheid Israeli crimes.

(6) Unexceptional and immediate granting of equal rights and all Universal Declaration of Human Rights (UDHR)-specified human rights for 15 million sorely oppressed Palestinians.

(7) In relation to the present horrifying, Israel-imposed Gaza circumstances the Indigenous Palestinians should at the very least be immediately given the rights accorded in law to pets and livestock in the West.

(8) If Palestinians are to continue to be denied life without foreign occupation the World should immediately insist on occupation by a decent non-Invader country (e.g. Switzerland, Ireland, Fiji).

(9) Immediate ceasefire with war criminal Apartheid Israel out of Gaza and the Occupied Palestinian Territories immediately to permit entry of life-saving security, humanitarian aid, health workers, reconstruction teams, and forensic teams to examine all the dead (Israel was a world leader in illegal organ trading).

(10) Action now – if the US Alliance-, UK- and Australia-backed US and Apartheid Israel continue to get away with mass murder of children in Gaza then we are all existentially threatened.

Please inform everyone you can – the mendacious Mainstream presstitutes certainly won’t.
