PLATTSBURGH AND CORINTH – James E. Gurney, 27, of Plattsburgh and formerly of Corinth, passed away unexpectedly, Sunday, Oct. 29, 2023 at his home.

Born on Dec. 11, 1995 in Fort Lauderdale, FL., he was the son of Grace Ann Gurney of Americus, GA. James graduated from Corinth High School in 2014 and attended Russell Sage College in Troy majoring in Music Theater. **Plattsburgh, USA**

From a young age, he has always had a passion for the performing arts, especially music, theater, and dance. He participated in the Corinth High School Choir, the Select Choir, NYSMMA, All-County Chorus, and was selected for All-State Chorus. He was also a member of the High School Band and Marching Band. He participated in productions with the Corinth Drama Club, Corinth Theater Guild, the Corinth Youth Commission Summer Theater Program, Adirondack Children's Troupe, and Glens Falls Community Theater. He was a proud member of Lake George Youth Theater. He danced with the Maguire Dance Studio. The family wishes to thank Barbro Aldridge and Mickey Luce and his family for all their kindness and caring shown to James and kindling his love for the performing arts.

James was employed for Cleveland Brothers in Corinth and worked in various jobs in the Lake George Region, including working several years at The Heidelberg in Queensbury.

The Ravenna Police Department is mourning the sudden death of one of its officers.

"We want to share our sadness with you on the tragic and sudden death of one of our officers, 27-year-old Thomas Wike," the department posted on Facebook late Monday morning. "Tom honorably served the Ravenna community for three years with dedication and compassion. Our hearts are broken, and our deepest condolences are with the Wike family."

According to his obituary, Wike died suddenly at his home on Friday.

"Tom was a great officer, a young officer and somebody that will be sorely missed," said Ravenna Police Capt. Jake Smallfield on Monday.

An attempt to contact Wike's family through the police department was not immediately successful. Smallfield declined to provide details about Wike's death.

Mark Groeneveld, a Dutch racer with the Canadian XSpeed United Continental squad, died at the age of 20 while in Hong Kong in the early hours of Monday, the team announced.

Groeneveld competed in the Hong Kong Cyclothon (1.1) on Sunday but dropped out due to a mechanical issue. His death came well after the race, according to a report in *Noordhollands Dagblaa*. He collapsed while out in public and could not be revived.

The team said the cause of death is under investigation but is possibly due to a cardiac arrest.

"It is with a heavy heart that we inform the passing of Mark Groeneveld, while on a project in Hong Kong," the team wrote on their Facebook page.

"On Monday, October 23rd, XSU and the world lost another great soul. Our deepest condolences go out to his family, team members, and friends.

26-year-old medical student Lucas Borba died after spending about ten days in a hospital **Palmas** because of an infection. He was in the third period of the course at the Federal University of Para (Ufpa) and lived the realization of a dream.

Two months before he died, Lucas had spent the holidays with his family, friends and boyfriend in Palmas. **He posted on social media claiming he had 'recharged battery'** for another semester of medical school.

Lucas was admitted to Palmas about ten days ago. According to his cousin, he had an infection and the cause of death was kidney and liver failure.

26-year-old medical student Lucas Borba died of an infection, presented several symptoms when he was still in Bethlehem (PA), where he studied medicine. According to the family, he experienced abdominal pain and had diarrhea and vomiting for almost a month. He asked his relatives for help to receive medical care in Palmas.

Lucas died on Sunday (22) with kidney and liver failure. The actual cause of the infection has not been reported. According to the infectologist and professor at the Federal University of Tocantins (UFT) Flavio Augusto de Padua Miracles, serious infections in the body can be caused by bacteria or viruses.

With the medical student, the infection spread, compromising vital organs. According to Lucas' cousin Arthur Wiczorek, **the young man was in Bethlehem (PA), where he was studying medicine**, he asked an aunt for help to travel to the capital of Tocantins and arrived in the city on October 13, being hospitalized soon after.

The situation worsened on Thursday (19) and the young man had to be transferred to the ICU of a hospital in the capital. On Sunday (22), according to Arthur, Lucas was intubated and had a cardiac arrest. The kidneys and liver couldn't take it. The medical student suffered multiple organ failure and death was confirmed at 18 a.m.

An Army infantry trainee at Fort Moore died Friday after suffering a medical emergency during a training event, officials at the Georgia installation said.

Pfc. Cesar Gonzalez, 21, was pronounced dead at Fort Moore's Martin Army Community Hospital shortly after arriving after the medical emergency, according to a base news release issued Monday. Gonzalez, who is from Chicago, was 18 weeks into the 22-week Infantry One Station Unit Training, or OSUT, the initial military training program for Army infantry soldiers. He was assigned to Alpha Company, 2nd Battalion, 58th Infantry Regiment, 198th Infantry Brigade, according to Fort Moore.

"The Wolfpack family is devastated by the unfortunate and untimely passing of [Pfc.] Gonzalez, an outstanding soldier in our organization," said Capt. Stephanie Snyder, who commands Gonzalez's company, nicknamed the Wolfpack. "This heartbreaking loss has affected every person in the company. We send our condolences to his family and friends, and our prayers are with them during this incredibly difficult time."

Fort Moore officials declined Monday to provide additional information about Gonzalez's death, including any suspected cause, citing an ongoing investigation into the incident. Joe Cole, a Fort Moore spokesman, said "medical professionals" were conducting that probe.

Emergency workers found Zach Noble, 27, a Pittsfield resident who had been a member of the Fire Department for several years, at about 6:30 a.m., when they responded to the school for a report of a nonresponsive man who had been found by an MCI maintenance worker who was arriving for work, according to Chief Vicente Morris of the Pittsfield Police Department.

Rescuers were unable to revive Noble.

Morris said Wednesday there was no indication of foul play.

Noble graduated from MCI in 2015, Morris said. He also worked as an emergency medical technician for Unity Ambulance, and the Kennebec Water District posted to [its Facebook page](#) that Noble was a distribution technician for the district. The post said Noble “was a shining star on our team and will be deeply missed.”

A RUGBY player died on the pitch after suffering a cardiac arrest.

Arturas Rudy, 27, had been playing a match with Wisbech RUFC yesterday when tragedy struck following "chest to chest contact".

Arturas Rudys' partner, Jolita Kiseliovaite, posted that he 'just passed away' while playing against Diss.

Launching a [GoFundMe](#) page to support her, she said: "Hello all! My name is Jolita. I'm a girlfriend of Arturas Rudys (25.12.1995).

"We have been together four years, also we have a little child Emilijus. He is only two years old.

"My partner just passed away on the rugby competition in Wisbech.

"It's been very quickly and like in a dream. Person from another team while running, hurt Arturas chest or neck, after this he didn't get up.

"It's very very hard time for us right now.. I can't give up, I have to live and show the right path to our child.

"I have never asked for [money](#) yet, but I want to reach out to you and ask for help. Thank you all!"

Within a few hours the GoFundMe has already raised over £4,300.

Jolita Kiseliovaite is organizing this fundraiser.

Oct. 14, 2023 – Spokane, WA – 29 year old Quindrey Trevon Davis-Murphy, Spokane Jazz Orchestra, was diagnosed with leukemia & died of a brain bleed 4 days later Diagnosis to death: 4 days COVID-19 mRNA Vaccine Turbo Cancer Leukemia.

SPOKANE, Wash. - A beloved member of the Spokane music community has died just days after he was diagnosed with Leukemia. Now, the community is working to support the family he left behind.

Quindrey "Drey" Davis has been a part of the Spokane Jazz Orchestra since 2021. Davis was feeling sick for almost a year before getting informed he had Leukemia, according to a GoFundMe post. He died a few days later.

As a way to share his love of music, Davis taught private music lessons at Northwest Christian School. He made his debut in the Spokane Jazz Orchestra during the 2021 Christmas Concert, where he "left an indelible mark on everyone who had the privilege of hearing him play," James Lucas said in Davis's obituary.

Davis took on numerous music gigs to support his family, which included his wife, son and daughter who is due in ten weeks.

Quindrey DAVIS-MURPHY Obituary

Quindrey "Drey" Trevon Davis-Murphy was born July 14, 1994, to Erica Davis and Harold Murphy. He passed just four days after being diagnosed with leukemia on October 14, 2023. Quindrey was the eldest of six siblings. Drey's love of music was with him from the start of his life. He was lovingly raised and cared for from middle school by his grandparents Earon and Willie Lee Davis. Quindrey attended Saving Grace Ministries of Spokane, where Earon L. Davis Jr. is the Pastor, and Holy Temple Church of God in Christ, where he was the percussionist. He played for numerous other churches in the Spokane and Coeur d'Alene areas.

Drey attended Cheney High School in Cheney, WA, where he earned numerous awards, including the Outstanding Percussionist and Outstanding Musician awards. He won the Guitar Center drum-off contest in 2011, where he went on to

On Tuesday morning, after feeling ill for almost a year, Drey was informed he had leukemia. It has progressed to brain bleeds in just a few days, and he is now holding on to life. If you can help pray, that would be appreciated. Drey and Ally purchased a house a year ago, and their daughter is due in 10 short weeks. Drey taught school at a beautiful private school, taught music lessons, and constantly had gigs to provide for their family. They now have no income, and this was Drey's biggest worry. On Tuesday, Drey said to me. I am so sorry, Miss Angela; I was trying so hard to provide for my family that I didn't go to the doctor. He has always put everyone first. He loves his family and God.

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”

Reviews

This is an in-depth resource of great interest if it is the wider perspective you are motivated to understand a little better, the author is very knowledgeable about geopolitics and this comes out in the way Covid is contextualized. —Dr. Mike Yeadon

In this war against humanity in which we find ourselves, in this singular, irregular and massive assault against liberty and the goodness of people, Chossudovsky's book is a rock upon which to sustain our fight. —Dr. Emanuel Garcia

In fifteen concise science-based chapters, Michel traces the false covid pandemic, explaining how a PCR test, producing up to 97% proven false positives, combined with a relentless 24/7 fear campaign, was able to create a worldwide panic-laden “plandemic”; that this plandemic would never have been possible without the infamous DNA-modifying Polymerase Chain Reaction test – which to this day is being pushed on a majority of innocent people who have no clue. His conclusions are evidenced by renown scientists.
—Peter Koenig

Professor Chossudovsky exposes the truth that “there is no causal relationship between the virus and economic variables.” In other words, it was not COVID-19 but, rather, the deliberate implementation of the illogical, scientifically baseless lockdowns that caused the shutdown of the global economy. –David Skripac

A reading of Chossudovsky’s book provides a comprehensive lesson in how there is a global coup d’état under way called “The Great Reset” that if not resisted and defeated by freedom loving people everywhere will result in a dystopian future not yet imagined. Pass on this free gift from Professor Chossudovsky before it’s too late. You will not find so much valuable information and analysis in one place. –Edward Curtin
