The days of World Economic Forum (WEF) co-founder Klaus Schwab [may be numbered](#).

Pascal Najadi, the son of fellow WEF co-founder Hussain Najadi, is speaking out as a whistleblower against the current top dog at the globalist foundation, accusing him and other leaders of “crimes against humanity.”

Najadi says the crimes of Schwab and his buddies are so great that there needs to be an immediate arrest of both Schwab and other WEF executives such as Bill Gates, as well as the leaders of the World Health Organization (WHO), Big Pharma, and Big Tech.

In partnership with Schwab, Najadi’s father started the WEF back in 1971. He quit a decade later, citing disgust with Schwab’s dystopian vision for the future of non-elite humanity.

Pascal Najadi is also upset that he and his mother were both tricked into getting “vaccinated” for the Wuhan coronavirus (COVID-19), a fake “pandemic” that was aggressively pushed by the WEF and others.

According to Najadi, he and his mother are now dying from the injections, which he says are “poison” that was pushed on the world by the likes of Schwab.

“The Devil Lives in Geneva,” Says Najadi

Together with prosecutors, Najadi is pushing towards eventually holding Schwab accountable for unleashing hell on the world. His case is also drawing attention to other globalist bodies like the United Nations (UN) that cooperated in the evil scheme.

Right now, leaders of the WEF, the UN, and WHO maintain diplomatic immunity, meaning they cannot be charged and tried – but Najadi wants that diplomatic immunity revoked,

followed by the issuance of arrest warrants.

Najadi is the same guy, by the way, who filed a lawsuit against longstanding Swiss Prime Minister Alain Berset for lying to the public about COVID injections. That suit ultimately led to Berset resigning from his post this past June.

Now, with that success under his belt, Najadi is moving on to the bigger fish at the UN, Gavi, the WEF, and WHO.

According to Najadi, the belly of the beast is Geneva, Switzerland, which he says is ground zero for globalist control over the world. "The devil lives in Geneva," Najadi is famously quoted as saying.

"Everything evil in the world related to democide unfortunately comes from Geneva," Najadi is quoted as saying.

"You have WHO [World Health Organization] in Geneva, you have Gavi [Bill Gates's Vaccine Alliance], then you have the WEF, which my father was a co-founder and left Klaus Schwab out of disgust in the early eighty's that has diplomatic immunity."

As a Swiss citizen, Najadi has made a declaration in and of himself that the WEF is no longer eligible for diplomatic immunity. Swiss authorities, he says, need to immediately arrest the ringleaders there for advocating what he describes as a "global humanity injection by a bioweapon," referring to COVID jabs.

Najadi and his own mother are victims of this bioweapon, he contends, and now it is the responsibility of Swiss authorities to do something about it by bringing to justice every single person who was involved in perpetrating these bioweapons on the world.

"I call on the Swiss authorities and security to arrest those people immediately," Najadi declared. "Why? The WEF, WHO, Gavi, Big Pharma, Big Tech, and Bill Gates all advocated a global humanity injection by bioweapon injecting nanolipids into 5.7 billion people. And we Swiss are hosting them. That's terrible."

"We cannot tolerate any entity that promotes poison to be injected into humanity. But you have done it. I'm the victim. I'm dying from it, and my mother, too. It's a democide and will be judged. It will be corrected in the name of humanity."
