A team of over 1,000 lawyers and over 10,000 medical experts lead by Dr. Reiner Fullmich have begun legal proceedings over the CDC, WHO, the Davos Group for crimes against humanity.

Fullmich and his team present the faulty PCR test and the order for doctors to label any comorbidity death as a Covid death as fraud.

The PCR test was never designed to detect pathogens and is 100% faulty at 35 cycles.

All the PCR tests issued by the CDC are rated at 37 to 45 cycles. The CDC admits that any test over 28 cycles are not admissible for any positive reliable result. This alone invalidates over 90% of the alleged covid infections tracked by the use of this faulty test.

In addition to the flawed tests and fraudulent death certificates, the “experimental” vaccine itself is in violation of Article 32 of the Geneva Convention.

Under Article 32 of the 1949 Geneva Convention IV, “mutilation and medical or scientific experiments not necessitated by the medical treatment of a protected person” are prohibited.

According to Article 147, conducting biological experiments on protected persons is a grave breach of the Convention.

The “experimental” vaccine is in violation of all 10 of the Nuremberg Codes which carry the death penalty for those who seek to violate these International Laws.

<https://blazingpress.com/wp-content/uploads/2021/05/nV6v5JKnY1JT.mp4>

The “vaccine” fails to meet the following five requirements to be considered a vaccine and is by definition a medical “experiment” and trial:

Provides immunity to the virus

This is a “leaky” gene-therapy that does not provide immunity to Covid and claims to

reduce symptoms yet double-vaccinated are now 60% of the patients requiring ER or ICU with covid infections.

Protects recipients from getting the virus

This gene-therapy does not provide immunity and double-vaccinated can still catch and spread the virus.

Reduces deaths from the virus infection

This gene-therapy does not reduce deaths from the infection. Double-Vaccinated infected with Covid have also died.

Reduces circulation of the virus

This gene-therapy still permits the spread of the virus as it offers zero immunity to the virus.

Reduces transmission of the virus

This gene-therapy still permits the transmission of the virus as it offers zero immunity to the virus.

The following violations of the Nuremberg Code is as follows:

Nuremberg Code #1: Voluntary Consent is Essential

No person should be forced to take a medical experiment without informed consent. Many media, political and non-medical persons are telling people to take the shot, it's safe and offer no information as to the adverse effects or dangers of this gene-therapy. Countries are using lockdowns, duress and threats to force people to take this vaccine or be prohibited to participate in free society under the mandate of a Vaccine Passport or Green Pass. During the Nuremberg trial, even the media was prosecuted and members were put to death for lying to the public amongst many of the doctors and Nazis found guilty of Crimes Against Humanity.

Nuremberg Code #2: Yield Fruitful Results Unprocurable By Other Means

As listed above, the gene-therapy does not meet the criteria of a vaccine and does not offer immunity to the virus. There are other medical treatments that yield fruitful results against Covid such as Ivermectin, Vitamin D, Vitamin C, Zinc and boosted immune systems for flu and colds.

Nuremberg Code #3: Base Experiments on Results of Animal Experimentation and Natural History of Disease

This gene-therapy skipped Animal testing and went straight to human trials. In mRNA research that Pfizer used a candidate study on mRNA with rhesus macaques monkeys using BNT162b2 mRNA and in that study all the monkeys developed pulmonary inflammation but the researchers considered the risk low as these were young healthy monkeys from the age of 2-4. Israel has used Pfizer and the International Court of Law has accepted a claim for 80% of the recipients having pulmonary inflammation from

being injected with this gene-therapy. Despite this alarming development Pfizer proceeded to develop their mRNA for Covid without animal testing.

Nuremberg Code #4: Avoid All Unnecessary Suffering and Injury

Since the rollout of the experiment and listed under the CDC VAERS reporting system over 4,000 deaths and 50,000 vaccine injuries have been reported in America. In the EU over 7,000 deaths and 365,000 vaccine injuries have been reported. This is a grievous violation of this code.

Nuremberg Code #5: No Experiment to be Conducted if There's Reason to Think Injury or Death Will Occur

See #4, based on fact-based medical data this gene-therapy is causing death and injury. Past research on mRNA also shows several risks that have been ignored for this current trial gene-experiment. A 2002 study on Sars-Cov spike proteins showed they cause inflammation, immunopathology, blood clots and impede Angiotensin 2 expression. This experiment forces the body to produce this spike-protein inheriting all these risks.

Nuremberg Code #6: Risk Should Never Exceed the Benefit

Covid-19 has a 98-99% recover rate. The vaccine injuries, deaths and adverse side-effects of mRNA gene-therapy far exceed this risk. The use of "leaky" vaccines were banned for agriculture use by the US and EU due to the Marek Chicken study that shows 'hot-viruses' and variants emerge making the disease even more deadly. Yet, this has been ignored for human use by the CDC knowing fully the risk of new deadlier variants emerge from leaky vaccinations.

Nuremberg Code #7: Preparation Must Be Made Against Even Remote Possibility of Injury, Disability or Death

There were no preparations made. This gene-therapy was approved under an Emergency Use only act, skipped animal and human trials and forced on a misinformed public.

Nuremberg Code #8: Experiment Must Be Conducted by Scientifically Qualified Persons

Politicians, media and actors claiming that this is a safe and effective vaccine are not qualified. Propaganda is not medical science. Many retail outlets such as Walmart, drive-through vaccine centers are not qualified to administer experimental medical gene-therapies to the uninformed public.

Nuremberg Code #9: Anyone Must Have the Freedom to Bring the Experiment to an End At Any Time

Despite the outcry of over 85,000 doctors, nurses, virologists, epidemiologist the experiment is not being ended. In fact, more attempts to change laws to force vaccine compliance, mandatory and forced vaccinations are being pushed through, and experimental 'update' shots are planned for every 6 months without any recourse to the surmountable amount of deaths and injuries already caused by this experiment. Hopefully this new Nuremberg Trial will put an end to this crime against humanity.

Nuremberg Code #10: The Scientist Must Bring the Experiment to an End At Any Time if There's Probable Cause of it Resulting in Injury or Death

It is clear in the statistical reporting data that this experiment is resulting in death and injury yet all the politicians, drug companies and so called experts are not making any attempt to stop this gene-therapy experiment from inflicting harm on a misinformed public.

What can you do to help put an end to this crime against humanity?

Share this information.

Make your politicians, media, doctors, nurses informed that if they are complicit in this crime against humanity they too are subject to the laws set forth in the Geneva Convention and Nuremberg code and can be tried, found guilty and put to death. Legal proceedings are moving forward, evidence has been collected and a large growing body of experts are sounding the alarm.

Visit the Covid Committee website [here](#) and if you have been affected by this crime, report the event, persons involved, and as much detail to [this website](#).

Crimes against humanity affect us all. They are a crime against you, your children, your parents, your grandparents, your community and your country and your future.
