Theme: [History](#)

The internet has become a staple of modern life. We use it to shop for what we need and want, talk to friends and family, run businesses, meet new people, watch movies and TV, and pretty much everything you can think of. In short, it has given birth to a new age in human history.

Below are statistics and timeline of the internet which was sent to us by BroadbandSearch. [To read the complete article with detailed analysis click here.](#)
