Theme: [Terrorism](#)

Global Research Editor's Note

Suspect Tsarnaev is a 19-years old student at U-Mass. He does not have the profile of a terrorist, nor the capabilities to undertake of a complex bombing operation in an area under close surveillance by thousands of police, national guard and security personnel.

USA Today interviewed by phone Zach Boyer, who lives in the same dorm as Tsarneev - just two doors down. (Michel. Ch.)
