

WHO's Worldwide Power Grab: Beware of the New International Health Regulation and Pandemic Treaty, a Health Tyranny Never Heard of Before in Human History

Last call to the world to stop WHO from putting humanity into an Open Prison

The Pandemic Treaty scheduled for May 27, 2024 must be the object of a Worldwide mass movement against the Globalists Power Grab

Mr. Andrew Bridgen, Member UK Parliament, slams the new WHO International Health Regulation (IHR) and Pandemic Treaty as an unheard-of Power Grab - robbing all 194 WHO, member countries, the entire world, of their sovereignty over national health issues.

The new IHR and the Pandemic Treaty would be transferring the authority to decide what is a pandemic and what deserves the status of a Public Health Emergency of International Concern (PHEIC), and literally how any matters of health ought to be treated - a limitless mandate of dictates - to the Director General of the World Health Organization (WHO).

The WHO Director General may call an outright prohibition with punishment on using "WHO-banned" medication, even though proven effective. This is precisely what happened during COVID. Medical doctors and pharmacies were not allowed to prescribe, recommend, and sell medication that was effective against COVID, because WHO prohibited to do so.

This WHO power would be expanded as an International Law, or rather as a "rules-based order", the new tyrannical term chosen by the elite, to circumvent literally any national and international laws.

Both the IHR and the Pandemic Treaty will be voted on by the upcoming World Health Assembly, from 21-30 May 2023. The vote is planned on 24 May 2023. A two-thirds majority is needed by the 194-member delegates to pass.

See this 20-min video of Mr. Andrew Bridgen, UK Member of Parliament, explaining to the UK Parliament why the new WHO IHR and Pandemic Treaty must be voted against.

This universal authority over world health issues would rest solely in the hands of a non-medical doctor, nor health scientist, Bill Gates-implanted WHO General Director, **Dr. Tedros Adhanom Ghebreyesus, who was previously a Board member of GAVI, the Vaccination Alliance and close partner of WHOs. GAVI is a creation of and funded by Bill Gates.**

WHO is registered as a UN agency, which it is not really. WHO was created in 1948 at the behest of David Rockefeller (1915 - 2017), a known eugenicist and globalist, to control the world population's "health" - and death.

WHO has full immunity from criminal prosecution, and its senior employees have diplomatic and tax-free status in Switzerland.

WHO is more than 80% funded by private sources, mostly from the pharmaceuticals industry, the Gates Foundation, and other private sponsors. WHO is clearly working for the interests of its donors, mostly the pharmaceuticals and Bill Gates, also an eugenicist - not for the people.

We have seen how badly - or better, *criminally* - WHO has handled COVID since the beginning of 2020, with worldwide lockdowns, social distancing, tremendous fear-mongering, destroying economies, people's livelihoods, and causing death, not by COVID but by fear-induced diseases, depression and misery, for a disease which at the worst is very similar to the annual flu. And for a virus that to this date has NEVER been isolated.

And later, in December 2020, by imposing and coercing every government in the world to force its people to get injected with what they called a vaccine, a gene-modifying trial vaxx of the mRNA-type, never tested before. People were threatened and lost their jobs, were banned from public places - and much worse - if they would not submit to the untested, dangerous and even deadly vaxxes.

According to WHO's orders, COVID hit the entire world, all its 194 member states at once, thus, justifying declaring on 16 March 2020 general lockdowns around the globe. This is an absolute impossibility. Even if a virus would exist - let me repeat, the COVID "virus" was NEVER isolated - a virus does not hit the entire globe at the same time.

As of March 16, 2020, the Johns Hopkins School of Public Health (JHSPH) reports 179,165 confirmed “COVID cases” in 155 countries, with 7,081 deaths. The JHSPH is largely financed by the Bill and Melinda Gates Foundation. These figures, even if they were true, would be far from justifying a global lockdown.

Already on 30 January 2020 WHO declared COVID a Public Health Emergency of International Concern (PHEIC).

Coincidentally, The World Economic Forum (WEF), infamous Davos meeting took place from 21-24 January 2020. WHO’s DG Tedros, Gates, the world’s power brokers and power structure, Big Pharma, Big Finance, most UN and other international organization were present at the 2020 WEF, when the pandemic decision, with global lockdowns, mask-wearing and all the social humiliating measures and dictates were decided.

These “decisions” were following a desk top dry-run called **Event 201**, simulating a “corona” virus, where also all the international, financial and pharma key players were present, on 18 October 2019 in NYC, barely three months before the infamous and unreal “outbreak” took place.

The powers behind the WEF put WHO in charge of committing this colossal, never-before witnessed crime on humanity, a “corona” virus, later called by WHO’s DG Tedros *COVID-19*.

This background on WHO’s COVID crime on humanity is just a forerunner to what may follow if the new International Health Regulation (IHR) and the intimately related Pandemic Treaty were to pass the World Health Assembly’s vote on 24 May 2023. It would take a two-thirds majority to be ratified.

If accepted, the new IHR and Pandemic Treaty would become law to be enforced by each and every country by WHO in 2024.

If approved, the members of WHO would just have passed a “rule” eliminating a key human right, peoples right to decide over their bodies.

There is not much time to lobby against this “rule-based order”. **Do whatever you can to have your government vote against this tyrannical power grab** — which would put humanity into a worldwide open air Health Prison.

If the new IHR and Pandemic Treaty are approved, We, the People, must take the necessary action and massively, in an organized and peaceful fashion, but relentlessly and decisively requesting our governments to Exit WHO, with immediate effect.

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects

humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument."
