“Mercury/thimerosal and lead (and aluminum) are extremely neurotoxic and cytotoxic, but their combined synergistic effect is much worse.

A dose of mercury sufficient to kill 1% of tested rats, when combined with a dose of lead sufficient to kill less than 1% of rats, resulted in killing 100% of rats tested.

Mercury has a similar synergistic effect with aluminum, which is also in most vaccines.” — Bernard Windham, M.D.

MISSISSIPPI PARENTS FOR VACCINE RIGHTS

"In order to understand the 'safety' of vaccines, you have to know several things, including how a baby's immune system works from birth onwards, and what vaccines do biochemically in the body. That work has never been done."

From the book *Just a Little Prick*
by Hilary Butler

Previously healthy infants shortly after receiving their “routine” baby shots. (Infant # 2 had been given both the live virus MMR and the mercury-containing flu shot simultaneously.)

"A single vaccine given to a six-pound newborn is the equivalent of giving a 180-pound adult 30 vaccinations on the same day."

Dr. Boyd Haley, Professor and Chair, Dept. of Chemistry, University of Kentucky (2001)

If you mixed
Mercury,
Aluminum phosphat
Amonium sulfate, and
Formaldehyde with VIRUSES,
then got a syringe
and INJECTED it into your child

you would be ARRESTED and sent to JAIL
for child endangerment and abuse

Then WHY is it legal for doctor
to do it? and WHY would you let
them?

Re-Think Vaccines

A TYPICAL 0.5 MILLILITER FLU SHOT CONTAINS TWENTYFIVE MICROGRAMS OF MERCURY – or 50,000 parts per billion. The EPA classifies a liquid with 200 parts per billion of mercury as hazardous waste. The limit for drinking water is two parts per billion.

MERCURY LEVELS PARTS PER BILLION ➡

- A Drinking Water Max: 2 PPB
- B Hazardous Waste Min: 200 PPB
- C Flu Shot: 50,000 PPB

The Truth about Vaccines...

Do not try and bend the government.
 That's Impossible.

Instead... only try to realize the truth.
 There is no government... only corporations.

And finally, note the wisdom and skepticism in the following, very pertinent post-World War I poem that was published in the Salt Lake City Telegram in 1923. Recall that the world-wide epidemic of (likely vaccine-caused) "influenza" was most likely caused by the Rockefeller Institute's mass (live virus) vaccination programs of all newly conscripted US soldiers shortly after they arrived at their basic training camps. The vaccine-sickened soldiers who managed to recover from their acute vaccine-caused illnesses then went "over there" and likely spread the virulent vaccine flu virus to the rest of the world.

VACCINATION CRAZY, EH! WOT?

By F.C. BUSH, 166 East 2nd St, Salt Lake City

They'll vaccinate the young men
Upon their arms so warm
They'll vaccinate the babies
The moment they are born
They'll vaccinate the maidens
On the ankle or the thigh
They'll vaccinate the old men
A week before they die

Chorus:
Another craze has struck Salt Lake
Folks are asking "Did it take?"
When you go out
The news-boys shout
"Have you been vaccinate(d)?"

They'll vaccinate the old maids
Upon their modest arms
They'll vaccinate the sheep and pigs
Upon their separate farms
They'll vaccinate your auto
And your license number too
They'll vaccinate the polar bears
And the elephant in the zoo

Chorus
They'll vaccinate the roosters
And the hens upon their legs
Two days before they're even laid
They'll vaccinate the eggs
They'll vaccinate the table
They'll vaccinate the chairs
They'll vaccinate the apples and
They'll vaccinate the pears

Chorus
They're vaccination crazy
They'll vaccinate the loon
They'll climb up when it's hazy
And they'll vaccinate the moon
The sun, the stars, the universe
They are vaccination mad
They'll vaccinate the sorrowful
And vaccinate the glad

Chorus
They'll vaccinate the dogs and cats
They'll vaccinate the fleas
They'll vaccinate the cabbage head
They'll vaccinate the peas
They'll vaccinate the clothes you wear
Your razor, brush and soap
And if you want to hang yourself
They'll vaccinate the rope

Chorus
The world is full of jazz and cranks
It's full of syncopation
But let us keep these vaccine pranks
Outside of legislation
Or they'll vaccinate your hydrant
And they'll vaccinate your well
Then they'll vaccinate your heaven
And make life an itching hell
