After only three months in office, a prophetic President [John F. Kennedy](#) was fully aware at the time of dark forces swirling around him and our nation, firmly entrenched in power and posing an alarming threat to the safety and well-being of both America’s last great leader as well as our democratic way of life:

“The very word ‘secrecy’ is repugnant in a free and open society; and we are as a people inherently and historically opposed to secret societies, to secret oaths and to secret proceedings. We decided long ago that the dangers of excessive and unwarranted concealment of pertinent facts far outweighed the dangers which are cited to justify it.

*Even today, there is little value in opposing the threat of a closed society by imitating its arbitrary restrictions. Even today, there is little value in ensuring the survival of our nation if our traditions do not survive with it. And there is **very grave danger that an announced need for increased security will be seized upon by those anxious to expand its meaning to the very limits of official censorship and concealment... Our way of life is under attack.***

Those who make themselves our enemy are advancing around the globe... no war ever posed a greater threat to our security. If you are awaiting a finding of ‘clear and present danger,’ then I can only say that the danger has never been more clear and its presence has never been more imminent...

For we are opposed around the world by a monolithic and ruthless conspiracy that relies primarily on covert means for expanding its sphere of influence - on infiltration instead of invasion, on subversion instead of elections, on intimidation instead of free choice, on guerrillas by night instead of armies by

day. It is a system which has conscripted vast human and material resources into the building of a **tightly knit, highly efficient machine that combines military, diplomatic, intelligence, economic, scientific and political operations. Its preparations are concealed, not published. Its mistakes are buried, not headlined. Its dissenters are silenced, not praised.** No expenditure is questioned, no rumor is printed, no secret is revealed.”

A huge part of humanity’s current problem that we are all facing today is the direct result of allowing this very same monolithic, invisible shadow government that Kennedy so accurately confronted way back in 1961 to infiltrate, infest and continue to grow over the next six decades as today’s international crime cabal currently and brazenly operating as the crystalized enemy of all humanity in 2021, insidiously wielding its unsatiated power and control over the citizenry of both the US constitutional republic as well as the entire world.

As a grave consequence, we’re all now paying an enormously heavy price for collectively failing to heed JFK’s foreboding warnings.

But Kennedy was far from the first US president to alert citizens about the paramount importance of protecting and safeguarding our precious yet vulnerable freedoms. In 1912, former President [Theodore Roosevelt](#) alluded to this same elusively dangerous enemy of the people:

*Behind the ostensible government sits enthroned **an invisible government owing no allegiance and acknowledging no responsibility to the people.** To destroy this invisible government, to befoul the **unholy alliance between corrupt business and corrupt politics** is the first task of the statesmanship of the day.*

In three months, it’ll be a full century ago that then New York City Mayor [John F. Hylan](#) astutely stated:

*The real menace of our Republic is the invisible government, which like a giant octopus sprawls its slimy legs over our cities, states and nation... The little coterie of **powerful international** bankers virtually run the United States government for their own selfish purposes. They practically control both parties, ... and control the majority of the newspapers and magazines in this country.*

They use the columns of these papers to club into submission or drive out of office public officials who refuse to do the bidding of the powerful corrupt cliques which compose the invisible government. It operates under cover of a self-created screen [and] seizes our executive officers, legislative bodies, schools, courts, newspapers and every agency created for the public protection.

Apparently President [Woodrow Wilson](#) felt so despairingly duped by those same invisible powers-that-be after signing into law the infamous Federal Reserve Act of 1913 that handed America's money supply over to the private Rothschild central banks:

[W]e have come to be one of the worst ruled, one of the most completely controlled and dominated, governments in the civilized world – no longer a government by free opinion, no longer a government by conviction and the vote of the majority, but a government by the opinion and the duress of small groups of dominant men...

Since I entered politics, I have chiefly had men's views confided to me privately. Some of the biggest men in the United States, in the field of commerce and manufacture, are afraid of something.

They know that there is a power somewhere so organized, so subtle, so watchful, so interlocked, so complete, so pervasive, that they had better not speak above their breath when they speak in the condemnation of it.

The Federal Reserve

It was exactly 108 years ago on December 23rd, 1913, after the vast majority of Congress had already gone home for the holidays that the Federal Reserve Act was snuck through in the dead of night, passed into law by order of the notorious secret 1910 Jekyll Island conspiracy between Rothschild, Rockefeller and JP Morgan bankers conspiring the financial coup d'état enabling the central banking cartel to begin printing fiat currency out of thin air. Such unbridled monopolistic power over America's money supply gained purely by cunning deception and manipulation is how the psychopathic elite has stolen ungodly trillions from the ill-informed public.

That same year in 1913 the Federal Income Tax Act was also fenagled through, unconstitutionally swindling Americans out of tax dollars to pay off past war debt interests of engineered bankers' wars. American citizens get reamed paying debtor interest on money the banks never even possess. This fraudulently rigged scheme was referenced by industrialist [Henry Ford](#):

It is well enough that people of the nation do not understand our banking and monetary system, for if they did, I believe there would be a revolution before tomorrow morning.

Along those exact same lines, it was President [George H.W. Bush](#) who admitted in 1992 to longtime White House reporter Sarah McClendon:

If the people ever find out what we have done, they would chase us down the street and lynch us.

Today's Fake Coronavirus Pandemic

For centuries it's been more than evident that a relative handful of elite [bloodline controllers](#) have been calling the shots on planet earth, engaging in systematic rape, pillage and wholesale slaughter of all life forms that include both humans as well as natural resources.

But with the puppet masters' Wuhan China launch of their fake Coronavirus pandemic outbreak in late 2019, inducing worldwide panic throughout 2020 based upon calculated lie after lie, the initial first step of their long-premeditated depopulation plan was sufficiently complete.

With nonstop mandated lockdowns and enforced mask wearing pumping unrelenting 24/7 fear porn propaganda into the increasingly paranoid public throughout 2020, the US lifespan from 2019 to 2020 has recently been reported by mainstream media to have dropped by an unheard of near [two years](#), the largest drop in 75 years since WWII.

Then starting with Trump's "warp speed" vaccine delivery that to this day he so proudly [brags about](#), Step 2 of the elite's [depopulation](#) agenda is the genocidal bioweapon that after one year in operation, by December 2021 is plunging humanity off its first [Dark Winter die-off](#) cliff.

So much for the great big lie of "[flattening](#) the curve" in two weeks for a back-to-normal life, or the incessant [lies](#) of a totally "safe and effective" nonvaccine. Bottom line, the earth controllers have used [Big Pharma](#) to globally buy off nearly every major politician, governmental public health "expert" corporate media and tech giant to perpetrate what is on track to becoming the worst and first global [genocide](#) in human history.

Meanwhile, the [real experts](#), frontline doctors, [nurses](#), virologists, that at [great risk](#) to themselves, have been courageously informing, educating and alerting the public about the Coronavirus [hoax](#) and lethal [danger](#) posed by experimental non-vaccines have been targeted for pervasive [censorship](#), harassment or [worse](#).

At the same time, 2020's total number of [human deaths](#) worldwide due to Covid-19 turns out to be little different than any of the preceding pre-Covid years, anecdotally backed up by honest, brave whistleblowing [morticians](#) like UK's [John O'Looney](#).

Additionally, the near constant number of flu deaths that regularly occur every year, in 2020 was conveniently falsely blamed on the Covid-19 virus, and, as a result, the preposterous supposition that 2020's number of [flu deaths](#) was virtually zero logically proves the pure absurdity and flagrantly false exposure that the crime cabal has been scamming the global population with the [Gates-Fauci](#) pre-concocted and gain-of-function [patented](#), never scientifically isolated [nor proven](#), virtually harmless so-called virus with a [99.7%](#) survival rate.

But the Gates Foundation, the WHO, the Rockefeller Foundation and its NWO creation the United Nations in lockstep with the World Economic Forum's Great Reset are all smelling mass blood sacrifice and like predatory sharks are zeroing in on their long-awaited dream of [one world governance](#).

To head them off at the pass, legal pushback has arrived in the form of a [46-page lawsuit](#) charging guilty parties with the genocidal crime against humanity filed December 6, 2021 at the International Criminal Court. Stateside [challenges](#) opposing imposter puppet Biden's vaccine mandates have also been cropping up recently with several federal court judges ruling against his unconstitutional dictates.

One year after the vaccine rollout in combination with 2021's widespread death jab mandates causing [millions](#) around the globe, including hundreds of healthy [young athletes](#), to suddenly keel over and die en masse droves, the human lifespan in 2021 is fast plummeting to a far lower age of death like never before, all by diabolical elitist design.

And in keeping with the nonstop consistent [deception](#), the [nonvaccinated](#) have been singled out, falsely blamed and scapegoated for spreading the virus and increasing the hospitalizations and deaths, bogusly hyped to justify [booster shots](#) every few months due to the latest confabulated variant "waves" like delta and now omicron, known to be so mild that its mortality rate is zero. In the West apartheid governments with vaccine mandates and passports are pitting the vaccinated against the unvaccinated, criminalizing the death jab resisters many of whom in 2022 are slated for concentration camp incarceration. But organized resistance to tyranny is growing.

Yet with worldwide death rates surging in nations with [highest vaccination](#) - Israel, Gibraltar, Singapore, Denmark, UK and Netherlands among them, there's no denying it's the vaccinations that are currently wreaking the most havoc, killing millions of hypnotized, brainwashed normies dying from blood clots, heart attacks, strokes, cancer and compromised autoimmune deficiency not unlike Fauchi's AIDS.

Meanwhile, all these same nations are busily [cancelling Christmas](#), international [flights](#) and imposing rigid [lockdowns](#) and mask mandate orders again... so much for those "safe and effective" [kill shots](#).

It is the courageous dissenters worldwide, billions of us refusing to bow down and roll over and die, who are holding the line through active and peaceful civil disobedience that will be the difference between either succumbing to or defeating the Satanic enemy forces of evil bent on our destruction.

But it's of paramount importance to recognize that there will be no external savior to rescue us from apocalyptic doom and gloom other than the brave souls exercising their freewill together who will successfully outlast the criminal elite's agenda for mass extermination and

total enslavement. Having recently taken his booster shot, Trump has shown his true colors as a sold-out Big Pharma cheerleader, publicly touting that his deluded, rushed experimental vaccine rollout has "[saved millions of lives](#)," while his refusal to stand up for medical freedom and sovereign liberty clearly smacks of betrayal toward his loyal political base. Offering his lukewarm, tacit approval against forced vaccination is weak at best.

Likewise, all those "hopium pushers" who've been so cocksure their hero will be coming back any day, week, month and now year, constantly moving their goalposts back after being dead wrong so many times, have also posed a grave disservice to both humanity and the world wary, fragile truth movement.

For way too many years, too many of the pied piping hopium influencers on the internet with thousands of followers have been promising the patriot millions to sit back, break out the popcorn, and passively "trust the plan bro," as their inside "intel sources" keep assuring us that all those thousands of unsealed indictments against all those high profile US traitors are receiving their just desserts, compliments of the military white hats quietly holding the evil ones accountable for their ungodly sins at their Gitmo military tribunals and still secret executions.

The masses have been patiently, complacently, desperately waiting and waiting and waiting for any real solid evidence that never seems to quite come, that the good guys are finally moving in to save the day, restoring what's left of our battered and tattered US constitutional republic from a tragic fate of total ruin, collapse and controlled demolition, to destroy America from within.

Our window of opportunity for taking assertive action is fast closing. At this point, we've reached the endgame and it appears there will be no savior to rescue us, not Trump, nor his so-called white hats, not even advanced benign ETs, nope, it'll be up to us alone to band together in solidarity with God's support and guidance to stand up to evil, fight to right the wrongs and preserve our divine human species from utter decimation as an AI controlled, robotic transhuman cyborg hybrid.

About the Author

Joachim Hagopian is a West Point graduate, former Army officer and author of "[Don't Let the Bastards Getcha Down](#)," exposing a faulty US military leadership system based on ticket punching up the seniority ladder, invariably weeding out the best and brightest, leaving mediocrity and order followers rising to the top as politician-bureaucrat generals designated to lose every modern US war by elite design. After the military, Joachim earned a master's degree in Clinical Psychology and worked as a licensed therapist in the mental health field with abused youth and adolescents for more than a quarter century. In Los Angeles he found himself battling the largest county child protective services in the nation within America's thoroughly broken and corrupt child welfare system.

The experience in both the military and child welfare system prepared him well as a researcher and independent journalist, exposing the evils of Big Pharma and how the Rockefeller controlled medical and psychiatric system inflict more harm than good, case in point the current diabolically lethal pandemic hoax and genocide. As an independent journalist for the last 8 years, Joachim has written hundreds of articles for many news sites, particularly [Global Research](#) and [lewrockwell.com](#). As a published author of a 5-book volume

series entitled [Pedophilia& Empire: Satan, Sodomy & the Deep State](#), Joachim's books and chapters are Amazon bestsellers in child advocacy and human rights categories. His A-Z sourcebook series fully documents and exposes the global pedophilia scourge and remains available for free at Joachim's blogsite at <http://empireexposed.blogspot.com/> and <https://pedoempire.org>.
