Professor Michel Chossudovsky's book is unmatched in his analysis of this Covid crime of biblical proportion, committed on humanity's historic trajectory.

In fifteen concise science-based chapters, Michel traces the false covid pandemic, explaining how a PCR test, producing up to 97% proven false positives, combined with a relentless 24/7 fear campaign, was able to create a worldwide panic-laden "plandemic"; that this plandemic would never have been possible without the infamous DNA-modifying *Polymerase Chain Reaction* test - which to this day is being pushed on a majority of innocent people who have no clue. His conclusions are evidenced by renown scientists.

In concise terms, Professor Chossudovsky presents an investigative study of connecting the dots of a bigger plan, The Great Reset, alias UN Agenda 2030, that is to reset and digitize our planet, and to transhumanize or robotize mankind. Michel describes how this horror holocaust on humanity, planned for decades, is destroying the people's asset base, abolishing economies, creating unemployment, poverty, famine and death; exacerbated by an equally relentless falsely named coercive "vaccination" campaign, causing worldwide population reduction and large-scale infertility, a crime being perpetrated on all 193 UN-member countries.

Michel's masterpiece leaves us, however, with hope for an awakening in solidarity that may lead us to overcome this tyranny, back to personal, communal, national and regional

sovereign freedom and autonomy.

Peter Koenig is a geopolitical analyst and a former Senior Economist at the World Bank and the World Health Organization (WHO), where he worked for over 30 years around the world. He lectures at universities in the US, Europe and South America. He writes regularly for online journals and is the author of [Implosion – An Economic Thriller about War, Environmental Destruction and Corporate Greed](#); and co-author of Cynthia McKinney's book "When China Sneezes: From the Coronavirus Lockdown to the Global Politico-Economic Crisis" (Clarity Press – November 1, 2020).

Peter is a Research Associate of the Centre for Research on Globalization (CRG). He is also is a non-resident Senior Fellow of the Chongyang Institute of Renmin University, Beijing.

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”

ISBN: 978-0-9879389-3-0, Year: 2022, PDF Ebook, Pages: 164, 15 Chapters
