When this happens, it is enough of a red flag that something is catastrophically wrong with the Pfizer vaccine, the mRNA platform, it is killing children, must not be used in our children, say NO!

Where is Bourla of Pfizer and Bancel of Moderna, these 2 untermensche, we need them under oath.

There has never ever been proper informed consent, never, and all involved have to be investigated and prosecuted for what was done with these vaccines, FDA, CDC, NIH, NIAID, all their leaders who are involved in this insanity pushing a failed vaccine that is harmful and not properly tested for safety etc. and is ineffective. And add that new untermensche Ashish Jha to the mix, reckless for he has zero science to back up anything he says.
